IV.2. If the Bishop becomes disabled, the Bishop Coadjutor, if there is one, shall assume all the powers and perform all the duties of the Bishop of the Diocese and shall be the Ecclesiastical Authority.

IV.3. If there is no Bishop or Bishop Coadjutor able to act, the Standing Committee shall be the Ecclesiastical Authority.

IV.4. If the Bishop is absent, a Bishop Coadjutor or the Standing Committee, if authorized in writing by the Bishop, shall act as the Ecclesiastical Authority until that authority is revoked by the Bishop.

IV.5. All controversies between the Rectors of two or more Parishes, or between a Parish or its Vestry and its Rector, or between persons adversely claiming to be members of the Vestry of a Parish shall be referred to the Ecclesiastical Authority for determination.

Article V. Standing Committee

V.1. The Standing Committee shall consist of four members of the clergy (Priests or Deacons) and four lay persons. The clerical members must be entitled to seat, voice, and vote in the Convention and the lay members must be communicants of the Church in this Diocese. The Standing Committee shall elect a President, Secretary, and other officers it deems necessary from among its members.

V.2. The members of the Standing Committee shall be elected by the Convention at its Annual Meeting to terms of four years each, or until their successors are elected. The members shall be divided into four classes, with one clerical and one lay member in each class. A new class shall be elected each year by the Convention. After serving one full term, no person shall be eligible to serve as a member of the Standing Committee until a period of one year has elapsed.

V.3. The powers, the functions, and duties of the Standing Committee shall be those prescribed by the Constitution and Canons of The Episcopal Church and by the Constitution and Canons of this Diocese.

V.4. If a vacancy occurs in its membership, the Standing Committee shall elect a replacement of the same order, who shall serve until the next Annual Meeting. At that meeting the Convention shall elect a member of the same order to fill the unexpired term.

By January 31 of each year each congregation shall report its actual NDBI for the preceding year and make any payment then due because of a shortfall. Any overpayment shall be credited to the next payment(s) due. Each month the Treasurer shall notify the Secretary of the Convention of all congregations that have failed to meet their fair share payment or the reduced amount set by the Board of Trustees pursuant to Canon 13.3.

15.3. As soon as may be practical after the receipt of such application and approval by the Board of Trustees pursuant to Canon 15.2, the Bishop shall send copies of the same to the Minister in charge and to the Clerk of the Vestry of each of those churches contiguous to or likely to be affected by the proposed new congregation. The Bishop shall give notice at the same time to each such Minister and Clerk or others appointed by the Vestry that any wishing to show cause as to why the application should not be granted should appear before the Bishop, the Standing Committee, and the Board of Trustees at a reasonably convenient time and place to be set by the Bishop, not less than twenty (20) days from the sending of the notice. The Vicar shall submit monthly financial statements to the Bishop in a form prescribed by the Bishop.

16.6. All assets of the Church Plant shall be owned by the Diocese.

16.7. In every Church Plant there shall be kept by the Vicar a register that conforms to all the requirements of the Canons of The Episcopal Church and the provisions of these Diocesan Canons relating to Parish registers.

At the close of each year the Treasurer’s accounts shall be audited in a manner approved by the Board of Trustees. A complete copy of the audit shall be forwarded to the Finance Committee before September 1 of the next year.

17.4. At the next meeting of the Convention following its organization as such, the Mission shall present an application for admission into union with the Convention. The application shall be accompanied by a certificate from the Ecclesiastical Authority stating that the Mission is approved and regularly organized.

17.6.3. The nominees' names and a description of other actions taken at the annual meeting shall be posted in a conspicuous place available to the membership and sent to the Bishop within seven days after the annual meeting.

17.6.4. The Bishop may reject any or all of the nominations made by the members of the Mission and may appoint another or others, and may at any time remove from office any member or members of the Bishop’s Committee and appoint another or others. Fair share payments to the Diocese shall be included in each such budget pursuant to the then current formula established by the Convention, and the Mission shall be obligated to the Diocesan Treasurer for the regular monthly proportion thereof, unless a different payment plan has been approved in writing by the Board of Trustees. A failure of the Mission to make, timely, all such monthly payments shall be sufficient cause, on recommendation of the Board of Trustees, for discontinuance by the Bishop of the services of the Vicar or for such other action, including the dissolution of the Mission, as the Bishop may determine.
17.10. Whenever, in the judgment of the Bishop, after consultation with the Vicar and the Bishop's Committee, and with the concurrence of Standing Committee and the Board of Trustees, any Mission should be dissolved, the Bishop may take such action and report the same to the next Convention.

The articles shall also provide that the Parish will abide by the Rules, Regulations, and Discipline of The Episcopal Church and this Diocese. The same Rules, Regulations, and Discipline of The Episcopal Church, the Constitution and Canons of the same, as well as the Constitution and Canons of this Diocese must always form a part of its bylaws.

18.2.1.3. Financial statements showing that the Mission has been fully self-supporting for the two calendar years next preceding the year in which the application is made.
18.2.1.4. A pro forma budget containing a five-year projection of income and expenses, demonstrating that the Parish can be self-supporting.

18.2.1.5. A certificate that the Mission has paid, or provided for the payment of, all its financial obligations, including payment to its clergy pursuant to Canon 21, and for the release from or indemnity for all financial obligations incurred on behalf of such Mission by the Diocese.

18.2.1.6. A certificate that, during the three calendar years preceding the year of application and during the year of application, the worship services of the Mission have been maintained in accordance with the doctrine, discipline and worship of The Episcopal Church and that the Mission has had effective and continuous leadership.

18.2.1.7. Evidence that the Mission has developed programs and plans for growth in worship, stewardship, fellowship, discipleship, ministry and mission, and such additional information as the Bishop, Standing Committee, or Board of Trustees may request.

18.2.1.8. A certificate from the Vicar or Warden providing satisfactory evidence that the congregation has at least 75 financial pledges, each from an individual, or a family, or a unit of people with combined resources, and annual income equal to at least three times the then current minimum Rector’s salary established by Canon 21. The Bishop, the Standing Committee, and the Board of Trustees may determine jointly, and in their sole discretion, that one or more of the foregoing requirements may be waived if the applicant presents satisfactory evidence demonstrating that it has a healthy and sustainable broad base of membership with a potential for growth, adequate financial strength, and appropriate program breadth and depth to ensure a viable Parish.

18.3. The approval of the application by the Bishop, or by the Standing Committee when serving as the Ecclesiastical Authority, with the advice and consent of the Board of Trustees, and the Standing Committee shall be required before any further action under this Canon may be taken.

18.4. If the application is approved pursuant to Canon 18.3, the applicant congregation may be organized as a Parish. Its proposed Articles of Incorporation and Bylaws shall be submitted to the Chancellor for approval as to conformity with the Constitution and Canons of the Diocese and The Episcopal Church. After such certification in writing, the Articles and Bylaws shall be submitted to a meeting of the members of the Mission, the Vicar presiding, and, if adopted by a majority vote, the Articles shall be filed with the California Secretary of State. At the next Annual Meeting of the Convention, the Parish shall present an application for admission into union with the Convention. The application shall be accompanied by a certificate from the Ecclesiastical Authority attesting to the applicant’s status as a Parish.
18.5. When a congregation has been organized, incorporated, and admitted into union with the Convention as a Parish, the Board of Trustees shall, upon written request by the Parish, transfer to it the property held in trust for the congregation, provided that all expenses and obligations of the Board of Trustees pertaining to such property have been discharged or otherwise provided for.

18.6. No real or personal property held in trust or otherwise by or for a Parish shall be encumbered or alienated (or otherwise sold or traded) without the written consent of the Bishop, the Standing Committee, and the Board of Trustees.

18.7. All real and personal property held by or for the benefit of any Parish or Mission is held in trust for The Episcopal Church and this Diocese. The existence of this trust, however, shall in no way limit the power and authority of the Parish or Mission otherwise existing over such property so long as the particular Parish or Mission remains a part of, and subject to The Episcopal Church, its Constitution and Canons, and the Constitution and Canons of this Diocese.

18.8. No Parish shall incur any indebtedness for permanent improvements or for acquisition of property in excess of one hundred fifty percent (150%) of its average annual operating income for the past three years without the written approval of the Bishop, the Standing Committee, and the Board of Trustees.

18.9. A Parish may retain Parish status without a full-time Rector under the following conditions:

18.9.1. That ordinary expenses are met, including any financial obligations prescribed by the Convention. Ordinary expenses include, among others, building, program, other expenses, fair and equitable salary, housing, insurance expenses, and required pension fund contributions for the Rector.

18.9.2. That the Parish submit to the Bishop and Standing Committee satisfactory evidence that its mission is consonant with the mission of the Diocese of El Camino Real.

18.10. A Parish may request to be admitted to Mission status by a petition to the Bishop, signed by a majority of the Vestry, and by the Rector, if there be one. The Bishop, after seeking the advice of the Standing Committee, and the advice and consent of the Board of Trustees, may grant such petition. The Bishop shall notify the Convention of such action at its next Annual Meeting.

18.11. Every Parish shall maintain, and if necessary revise and amend, its governing documents so as to bring the same as nearly as may be into exact conformity with the Constitutions and Canons of The Episcopal Church and of the Diocese, as such Constitutions and Canons may from time to time be amended. A copy of current articles and bylaws shall be sent by each Parish to the Diocesan office. Prior to any change in the Articles of Incorporation of any Parish, a draft thereof shall be sent to the Diocesan Office for review.

All Vestry members and Convention delegates except the Rector shall be lay persons qualified to vote in Parish meetings. Any Parish that has an Average Sunday Attendance (ASA) of twenty-five or less may have a Vestry of no fewer than four members, including the Rector.

19.3. The annual meeting of the Parish shall be held before February 15 of each year. The annual meeting may be held in two sessions, one held in the Fall of the year prior (but no earlier than October 15), and the second between January 1 and February 15 of the given year. 19.3.1. Lay members of the Vestry shall be elected at the annual meeting (or at session one if two sessions are held) by written ballot, unless the number of nominees is less than or equal to the number of positions to be filled, in which case a vote to elect the entire unopposed proposed slate may be taken absent a request for ballot. Voting by electronic means shall be permitted. Voting by proxy or absentee ballot shall not be permitted. Every person, who (i) is an adult confirmed or received Communicant in good standing as defined by Canons of The Episcopal Church, (ii) is listed in the Treasurer’s books as a contributor during the calendar year prior to the year the new vestry members take office, and (iii) has been a member of the Parish for the same period shall be entitled to vote at Parish meetings. 19.3.4. Results of these elections shall be reported to the Ecclesiastical Authority by the Rector or Clerk of the vestry immediately after any election or other change for communication purposes.

19.3.5. Ballots, if any, and a record of those participating electronically shall be kept for the longer of one year, or one day after the next annual meeting.

19.3.6. Any question of procedure in the meetings not covered by Canons shall be decided by a majority vote, with appeal to the Ecclesiastical Authority.

19.4. Each Parish shall provide for rotation of vestry membership so that at least one member shall be elected each year. Retiring members who have served a full term shall not be eligible for re-election for a period of one year. The term of office of the lay members of the Vestry shall not exceed three years; provided, however, that when the tenure of the Rector of the Parish terminates (by retirement, resignation, death, or removal), the incumbent Senior Warden shall remain eligible for re-election by the congregation to the Vestry for an additional one-year term as a vestry member and the Vestry shall elect one of its members as a Senior Warden pursuant to Canon 19.6.

19.5. The Vestry may fill vacancies until the next annual meeting at which time the appointed members, in order to be eligible to remain on the vestry, must stand for re-election to the unexpired term. A member appointed to an unexpired term of less than one year shall be eligible for immediate election to the succeeding full term.

19.6. The Vestry shall meet for organization as soon as is practical after the annual meeting. From its members the Rector shall appoint a Senior Warden and the lay members shall elect a Junior Warden, both of whom shall be communicants. If there is no Rector, both Wardens shall be elected.

19.7. The Vestry shall hold regularly scheduled meetings. Special meetings may be called by the Rector or, in the Rector’s absence or inability to act, by the Senior Warden or on the written request of two Vestry members.

19.8. The Rector shall preside at all Vestry and Parish meetings. If the Rector is absent or unable to act, the Wardens, in order of seniority, shall preside at Vestry and Parish meetings and when the Rector is absent and not available for consultation, or is unable to act, the Senior Warden shall be in charge of the Parish. No meeting of the Vestry shall be valid unless the Rector or one Warden is present.
19.9. A Clerk and a Treasurer shall be elected annually by the Vestry and shall serve until their successors are elected. If they are not Vestry members, they shall be entitled to seat and voice, but no vote. They shall also be the Secretary and the Financial Officer, respectively, of the Parish as a corporation.

19.10. The Clerk of each Parish shall keep and preserve, in the office of the Parish, a printed copy of the current Constitution and Canons of The Episcopal Church and of this Diocese, and a copy of the Articles of Incorporation and of the Bylaws of the Parish.

19.11. The Treasurer shall make such reports as Diocesan authority or Parish Vestry shall require. At the close of each year the Treasurer’s accounts shall be reviewed by an entity or person approved by the Finance Committee of the Diocese. The record review shall comply with the Audit Guidelines for Congregations as set forth in the current version of the “Manual of Business Methods in Church Affairs” as adopted by The Episcopal Church. As soon as practicable after receipt by the Vestry, a summary of the record review shall be provided to each pledger and giver of record. A complete copy thereof shall be made available electronically and in hard copy upon request. A complete copy of the record review shall be forwarded to the Finance Committee before September 1 of the next year. The Treasurer shall be bonded.

19.12. The Vestry shall prepare a tentative budget of proposed expenditures for the coming year and shall have a continuing stewardship program to achieve necessary income. The Vestry shall adopt an operating budget for the current year and shall report the same to the annual Parish meeting. The Parish Treasurer shall inform the Diocesan office by January 31 of each year of the projected net disposable budgeted income for that year.

19.13. The Convention delegates and the vestry of each Parish shall hold at least one meeting annually to discuss program, budget, and other matters in preparation for each Annual Meeting of the Convention.

19.14. The requirements of Canon III.9.3(a) of the Episcopal Church shall be followed prior to the election of a Rector.

19.14.1. When the Cure of a Parish becomes vacant, the Wardens or other officers shall give notice of such fact to the Bishop and Standing Committee within fifteen days from the occurrence of such vacancy. If the Parish shall for thirty days fail to provide services of public worship, the Ecclesiastical Authority shall make provision for such worship.

19.14.2. The election of a Rector shall be preceded by a search process of mutual discernment and utilization of the resources and authority of both the vestry of the Parish and the Bishop of the Diocese, and shall require an affirmative vote of two-thirds of the lay members of the Vestry. No commitment shall be made by or on behalf of the Vestry to anyone elected as a prospective Rector, nor shall any formal call be issued, until the name of the cleric elected as Rector has been made known in writing to the Bishop, who shall then have 30 days, or such additional time as has been agreed upon, to
approve or object to the Vestry’s choice of Rector. A background check on the cleric elected shall have been completed prior to the notice to the Bishop. In case the Bishop objects, a second meeting of the Vestry shall be held and the person first proposed can be elected only by a unanimous vote of the whole Vestry. If the vote is not unanimous, the same procedure shall be repeated for the election of another candidate. If the Bishop does not respond within 30 days after the written notice, the Vestry may proceed with the call.

19.14.3. The call shall be in the form of a written agreement (following the model Diocesan letter of agreement), which shall be signed by the Wardens and, when accepted, signed by the new Rector. The agreement shall provide, subject to the provisions of the Canons of The Episcopal Church, for tenure until the Rector’s canonically required retirement. The signed agreement shall be sent to the Bishop who, when satisfied that the person chosen is a duly qualified cleric and has accepted the office, shall approve the call and acceptance by causing copies of the agreement to be countersigned personally or by a designated representative and returned to the new Rector and to the Parish. The Bishop shall then notify the Secretary of the Convention, who shall record the appointment.

19.15. In compliance with Canon III.9.3(c) of The Episcopal Church: “A Priest serving as an assistant in a Parish, by whatever title designated, shall be selected by the Rector, and when required by the Canons of the Diocese, subject to the approval of the Vestry, and shall serve under the authority and direction of the Rector. Before the selection of an assistant the name of the Priest proposed for selection shall be made known to the Bishop and a time, not exceeding 60 days, given for the Bishop to communicate with the Rector and Vestry on the proposed selection. Upon resignation by the Rector, death of the Rector, or in the event of the dissolution of a pastoral relationship between the Rector and the Vestry, an assistant may continue in the service of the Parish if requested to do so by the Vestry under such conditions as the Bishop and Vestry shall determine. An assistant may continue to serve at the request of a new Rector.” Assistants shall have a letter of agreement with the Rector and the Vestry setting forth mutual responsibilities and containing a clearly articulated dissolution clause, subject to the approval of the Ecclesiastical Authority.

**Canon 20. Change of Parish Status**

20.1. When any Parish shall:

20.1.1. have persistently disregarded or refused to conform to any of the Canons of The Episcopal Church or of the Diocese, or

20.1.2. fail to pay its Rector a salary at least equal to that prescribed by Canon 21, or
20.1.3. fail to provide the financial support necessary for the spiritual maintenance of and an adequate program for the Parish, or

20.1.4. fail for a twelve (12) month period to pay the total of the Diocesan assessment prescribed by Convention. (Canon 18.1.4 shall not apply to restoration plans approved prior to the date of its adoption; provided, however, that a default by a Parish on any term of a prior restoration plan and failure of the Parish and the Diocese to agree in writing on a replacement plan shall cause the Parish to be subject to the provisions of Canon 20);

then, after full investigation with an opportunity for the Parish to be heard, and upon concurring action of the Bishop, Standing Committee, and the Board of Trustees, said Parish may be declared an “Aided Parish” either (i) for a condition that may reasonably be expected to improve within a four-year period as described in Canon 20.3, or (ii) for a condition that does not appear to be resolvable and is described in Canon 20.7. Aided Parish status shall be used to allow the Aided Parish and the Diocese to work collaboratively to restore the Aided Parish to compliance with the Canons.

20.2. Upon being declared an Aided Parish pursuant to Canon 20.1, such Parish shall promptly take all steps necessary to relinquish its rights and privileges as a Parish, including the right to elect a rector and the right to hold and control its property both real and personal and to allow direction for use of its property on the terms and conditions as may be determined by the Bishop with the approval of the Standing Committee and the Board of Trustees. The Bishop or the Bishop’s designee shall have full authority to direct and govern the day to day administrative, business and spiritual activities of an Aided Parish, including control of access to and use of all Parish property. If there is a rector of the Aided Parish, the rector shall become priest-in-charge of the Aided Parish.

20.3. If the Bishop, the Board of Trustees, and the Standing Committee each determines that one or more of the conditions described in Canon 20.1 may improve with a restoration plan, the Parish may be allowed to continue its parochial relationship with the Diocese as an Aided Parish upon such terms and with such financial assistance as the Bishop and the Board of Trustees may authorize including such terms as may be in a plan suggested by the Aided Parish. The terms may include the Parish and the Diocese entering into a written “Restoration Plan” pursuant to which the Board of Trustees may allow such Parish to have a temporary dispensation from some or all of the Parish’s financial obligations to the Diocese, provided that any such Restoration Plan shall include agreement as to how any financial problems of the Aided Parish shall be rectified and by what date. Failure by the Parish to perform according to such agreement will be cause for the Bishop and the Board of Trustees in their discretion and acting with the advice and consent of the Standing Committee, to change the status of such Parish to a Mission. Upon such a change of status, the title to all real and personal property shall be transferred to the Diocese of El Camino Real and the corporation of the Parish shall be dissolved. The Bishop and the Board of Trustees may also consider merging the Parish with another Parish or dissolving the Parish.
20.4. At any time within four (4) years after being declared an Aided Parish, such Aided Parish may be restored to full and regular Parish status by approval of the Bishop, with the concurrence of the Standing Committee and the Board of Trustees, either upon the initiative of the Bishop, the Standing Committee, or the Board of Trustees, or upon the application of the Aided Parish. On or before the fourth anniversary of a declaration of Aided Parish, the Board of Trustees, the Bishop and the Standing Committee, upon due reflection and having received appropriate input from the Aided Parish, shall decide whether that Aided Parish shall be (a) restored to parish status, (b) enter into an amended restoration plan and agreement, (c) changed to a mission, (d) merged with another parish, or (e) dissolved. If that Aided Parish does not agree to an amended restoration plan and agreement within ninety days after the date of a notice of that choice by the above bodies, those bodies shall choose alternative (a) or one of (c) through (e) above. A Restoration Plan may be amended by mutual written agreement and such amendment may extend the plan beyond four (4) years. If an Aided Parish shall remain in such status for a period of more than four (4) years without extension of its Restoration Plan, then a special meeting of the Aided Parish shall be called by either the Bishop or the Wardens of the Aided Parish, and by majority vote thereof, it shall be determined whether such Aided Parish shall petition to be restored to full and regular Parish status, or shall ask to be changed to the status of a Mission, merged, or closed. The Board of Trustees, the Bishop, and the Standing Committee shall decide on such requested action.

20.5. Upon restoration to Parish status, any Parish property shall be restored to the control of the Aided Parish and, any priest-in-charge of the Aided Parish shall forthwith resign and a successor shall be elected pursuant to Canon 19.14; such priest-in-charge may be a candidate for rector of that parish.

20.6. If the Aided Parish elects to change to the status of a Mission and such desire is confirmed pursuant to Canon 20.10, or if its petition to be restored to full Parish status is denied, and there is no decision to close such Aided Parish, the Aided Parish shall take the necessary legal steps to immediately organize itself in accordance with the provisions of these Canons relating to organized Missions.

20.7. If one or more of the conditions in Canon 20.1 are not deemed to be resolvable within a four-year period, the Bishop shall give due notice thereof to such Parish. If, after receipt of the notice by the Parish, the Parish shall have failed in a timely manner to cure the conditions specified in the notice, and the Bishop determines that the Parish should be liable to suspension of its privilege of representation in the Convention, or to the dissolution of its parochial relationship with the Diocese, the Bishop shall so advise the Standing Committee and Board of Trustees and thereafter the Convention in writing of the Bishop’s determination. Thereupon, by a concurrent majority vote of the clerical and lay orders, voting separately, the Convention may proceed to suspend the representation of such Parish in the Convention and also may wholly dissolve the parochial relationship with the Diocese. When the Parish’s representation has been suspended, such Parish shall no longer be a part of The Episcopal Church and its real and personal property shall be transferred to the Diocese, The Episcopal Church in the Diocese of El Camino Real, on terms determined by concurring action of the Bishop, the Board of Trustees, and the Standing Committee. If the Parish fails promptly to take all necessary steps to relinquish its rights and privileges as a Parish or
to transfer its real and personal property to The Episcopal Church in the Diocese of El Camino Real on the terms and conditions determined by the Bishop, the Board of Trustees, and the Standing Committee, the Diocese of El Camino Real may enforce the obligations of the Parish under this Canon by an action for specific performance or such other action as may be appropriate in any court of competent jurisdiction.

20.8 If no action is taken by the Bishop to terminate the rights and privileges of the Parish or to enforce the relinquishment of the Parish’s real and personal property to The Episcopal Church in the Diocese of El Camino Real, and should a Parish fail to meet its total fair share obligation over a period of twenty four (24) months, the Parish shall revert to the status of a Mission, and shall transfer all its real and personal property to the Episcopal Church in the Diocese of El Camino Real. A congregation’s fair share obligation shall be deemed to have been met if the congregation is in compliance with a Restoration Plan or other plan approved by the Board of Trustees or predecessor Council. If the Parish fails promptly to take all necessary steps to relinquish its rights and privileges as a Parish or to transfer its real and personal property to The Episcopal Church in the Diocese of El Camino Real on the terms and conditions determined by the Bishop, the Board of Trustees, and the Standing Committee, the Diocese of El Camino Real may enforce the obligations of the Parish under this Canon by an action for specific performance or such other action as may be appropriate in any court of competent jurisdiction.

Canon 21. Compensation Standards

21.1. The minimum salary which shall be paid to any member of the clergy employed full time by the Diocese or any Parish or Mission, shall be fixed annually by the Convention upon recommendation of the Personnel Committee. All Parishes, Missions, and other ecclesiastical organizations or bodies subject to the authority of this Church in the Diocese of El Camino Real shall provide at least such minimum salary to clergy as is specified in this Canon and the pension assessment required by the Church Pension Group as well as reasonable amounts (as determined by the congregation, unless otherwise defined by vote of the Convention) for housing, utilities, automobile allowances, and insurance. Part-time clergy shall receive at least a salary with the same proration to the minimum compensation for full time clergy as their prorated time. Separate classifications of the clergy may be made for the purpose of fixing minimum standards. The Personnel Committee shall also provide guidelines for stipendiary supply clergy.

21.2. All Parishes, Missions, and other ecclesiastical organizations or bodies subject to the authority of this Church in the Diocese of El Camino Real shall provide retirement benefits to all qualified lay employees according to standards that may be adopted from time to time at the Annual Meeting of the Convention upon recommendation of the Board of Trustees.
Canon 22. Ecclesiastical Discipline

22.1. The forms and methods of Ecclesiastical Discipline in the Diocese shall follow and comply with the provisions set forth in Title IV of the Canons of the General Convention of The Episcopal Church (the “General Canons”). 22.2. Pursuant to General Canon IV.5.3(i) the Diocese has elected to enter into a compact among the Dioceses of El Camino Real, California, Northern California, and San Joaquin to develop and share resources necessary to implement Title IV and this Canon, including members of Disciplinary Boards, Church Attorneys, Intake Officers, Advisors, Investigators, Conciliators and administrative and financial support for proceedings under Title IV (hereinafter the “Disciplinary Board Compact”). The Bishop of the Diocese shall be authorized to execute and implement the Disciplinary Board Compact and any amendments or modifications thereto consistent with this Canon.

When any General Canon shall allow information concerning a charge or disciplinary proceeding be given to a Bishop, the only Bishop to whom such information may be given shall be the Bishop (or Bishops if so agreed) having jurisdiction over that charge or disciplinary proceeding under General Canon IV.19.5.

22.3.1. While the Disciplinary Board Compact is in effect, each of the Dioceses listed in Canon 22.2 shall have one clerical and one lay member on the Disciplinary Board, and the ninth member, a cleric, shall be nominated by the Disciplinary Board and subject to the unanimous approval by the four diocesan bishops.

22.3.2. Each member of the Disciplinary Board shall serve a three-year term, each term to begin on January 1 following appointment or election. Each Diocese shall elect or appoint replacements for members of that Diocese whose terms have ended for three-year terms, replacing lay with lay and clergy with clergy, provided that the ninth member shall be selected as provided in Canon 22.3.1. Members may serve no more than two successive terms, after which one year must elapse before being reelected/reappointed. If a member is elected/appointed to fill a vacancy, the term of such member shall be the unexpired term of the member being replaced. If a proceeding has been commenced, a member of the Disciplinary Board whose term has expired may continue to serve on the Disciplinary Board for all proceedings in that matter in which the Disciplinary Board is involved through final disposition.

- 38 -
22.3.3. The Clerical members of the Disciplinary Board from this Diocese shall be canonically and geographically resident within the Diocese.

22.3.4. The lay members of the Disciplinary Board from this Diocese shall be adult Communicants in Good Standing of a congregation in the Diocese.

22.3.5. The members of the Disciplinary Board from this Diocese shall be appointed by the Bishop with the consent of the Standing Committee prior to November 1 of each year, with terms beginning the following January 1.
22.3.6. Vacancies on the Disciplinary Board shall be filled as follows:

(a) Upon the determination that a vacancy exists, the President of the Disciplinary Board shall notify the Bishop of the vacating member’s diocese of the vacancy and request appointment of a replacement member of the same order as the member to be replaced.

(b) That Bishop shall appoint a replacement Disciplinary Board member with the consent of the Standing Committee.

(c) With respect to a vacancy created for any reason other than pursuant to a challenge as provided below, any person selected as a replacement Disciplinary Board member shall serve for the unexpired portion of the vacating member’s term. With respect to a vacancy resulting from a challenge, the replacement Disciplinary Board member shall serve only for the proceedings for which the appointed Disciplinary Board member is not serving as a result of the challenge.

22.3.7. Disciplinary Board Presidents shall be elected in accordance with General Canon IV.5.1 and may serve for up to two one-year terms before stepping down as President for one year.

22.3.8. The Disciplinary Board shall appoint a Clerk to assist the Disciplinary Board with records management and administrative support. The Clerk may also be a member of the Disciplinary Board. The Clerk shall also maintain a roster of membership for the Disciplinary Board, which shall include the Diocese and term of each member.

22.3.9. In any proceeding under this Canon, if any member of a Conference Panel or Hearing Panel of the Disciplinary Board shall become aware of a personal conflict of interest or undue bias, that member shall immediately notify the President of the Disciplinary Board and request a replacement member of the Panel. Respondent's Counsel and the Church Attorney shall have the right to challenge any member of a Panel for conflict of interest or undue bias by motion to the Panel for disqualification of the challenged member. The members of the Panel not the subjects of the challenge shall promptly consider the motion and determine whether the challenged Panel member shall be disqualified from participating in that proceeding.

22.4. The Intake Officer for this Diocese shall be appointed from time to time by the Bishop with the consent of the Standing Committee. The Bishop may appoint one or more Intake Officers according to the needs of the Diocese. The Bishop shall publish the name(s) and contact information of the Intake Officer(s) throughout the Diocese.

22.7. Within forty five (45) days following each Annual Meeting of the Convention, the Bishop of this Diocese with the consent of the Standing Committee shall appoint one or more attorneys to serve as Church Attorney(s) for the following calendar year. The person(s) so selected may but need not be Members of the Church but must be an active member in good standing of the State Bar of California, and need not reside within the Diocese. The Church Attorney may be removed for cause during the calendar year by the Bishop of this Diocese with the consent of the Standing Committee.

22.8. In each proceeding under this Canon, the Bishop shall appoint an Advisor for the complaining party and an Advisor for the Respondent. Persons serving as Advisors shall hold no other appointed or elected position provided for under this Canon, and shall not include Chancellors or Vice-Chancellors of this Diocese (or of any Diocese in the Compact) or any person likely to be called as a witness in the proceeding. The role of the Advisor is found in General Canon IV.2 and is not meant to act necessarily as attorney. The complaining party and the Respondent are each free to engage an attorney at their own costs.

22.9. The reasonable costs and expenses of the Disciplinary Board, the Intake Officer, the Investigator, the Church Attorney, the Disciplinary Board Clerk, Advisors and the Pastoral Response Coordinator shall be the obligation of the Diocese in which the Respondent is canonically resident, unless the alleged offense took place elsewhere and the respective bishops agree on a different cost allocation. Other costs shall be the responsibility of individual parties incurring them.

22.10. 22.10.1. Records of active proceedings before the Disciplinary Board, including the period of any pending appeal, shall be preserved and maintained in the custody of the Clerk, if there be one, otherwise by the Diocesan office in which the Respondent is canonically resident.

22.10.2. The Bishop shall make provision for the permanent storage of records of all proceedings for clergy canonically resident in this Diocese under this Canon at the Diocese and the Archives of the Episcopal Church, as prescribed in Title IV of the General Canons.

22.12. The Disciplinary Board shall each year submit a written report to the Annual Meeting of the Convention.

Canon 23. General Provisions

23.1. It shall be the policy of the Diocese of El Camino Real to support the ministry, in and for the Diocese, of all lay persons and non-stipendiary clergy, by striving to include all races, condition of persons, and people of all professions and vocations in its decision-making bodies. It is recommended that no meetings of the Diocesan Convention, Commission on Ministry, or Board of Trustees shall be held on weekdays during normal business hours, except by the majority consent of the members of that body.

23.2. Except where the Constitution or Canons of this Diocese provide otherwise, a quorum of any decision-making body, commission, committee, task force, or other similar body, at a duly called meeting, shall be a majority of its members entitled to vote; and a majority of such quorum shall be competent to act. There shall be no voting by proxy or absentee ballot.

23.3. Where no presiding officer is designated, any decision-making body, commission, committee, task force, or other similar body, may elect one of its members as its presiding officer. The Secretary of the Diocese, when specified as a member ex officio of such a body, shall not serve as the secretary of that body. Per Article VIII.2, the Secretary of the Diocese shall also be the Secretary of the Convention.

23.4. If a vacancy occurs in any office or in the membership of any decision-making body, commission, committee, task force, or other similar body, for which neither the Canons nor the Constitution specify a method of replacement, the Bishop with the concurrence of the Standing Committee, shall appoint a replacement to serve until the seating of the successor elected at the next Annual Meeting of the Convention, or otherwise elected or appointed, as the case may be.

23.5. Except where the Constitution or Canons of this Diocese provide otherwise, the terms of office for officers and members of decision-making bodies, commissions, committees, task forces, or other similar bodies, elected or appointed at an Annual Meeting of the Convention shall begin on the first day of January following the close of that meeting and, unless a term of years is specified, they shall end on the 31st day of December following the next Annual Meeting. Where a term of years is specified a “year” shall mean the period from the first day of January. Newly elected members may have voice, but not vote, at meetings of the respective Bodies up to the first day of January.

23.6. The term limits defined in these Canons shall apply to all elections and appointments in 2007 with the exception of the Board of Trustees. Term limits shall take into account service on the relevant Diocesan body just prior to the October 2007 Convention.

23.7. Unless provided otherwise in these Canons, whenever an election to fill an unexpired term occurs, the elected member with the lowest number of votes
shall fill the unexpired term, unless another member elected in that meeting volunteers to take the unexpired term.

23.8. Unless provided otherwise in these Canons, whenever the Provincial bylaws do not provide for seating of all elected Deputies (per Article XI.1), the number and the order of deputies to be seated in the Provincial synod shall be determined by the Province VIII bylaws and according to the highest number of votes received.

23.9. Meetings of Diocesan bodies may be conducted (i) in person, (ii) through use of conference telephone or electronic video screen communication so long as all members participating in the meeting are able to hear one another, or (iii) otherwise in accordance with the provisions of the California Corporations Code for meetings of members or boards of directors of non-profit corporations other than in person. A record shall be kept of any electronically submitted vote.

**Canon 24. Amendments**

24.1. These Canons may be amended only by a majority vote of the Convention.

24.2. Proposed amendments to these Canons must be filed with the Secretary at least 60 days before the Annual Meeting. The Secretary shall refer the proposals to the Committee on Constitution and Canons. The Committee may alter the language of any proposed amendment to ensure consistency with existing Canons. The Secretary shall send the same as proposed or altered, with arguments pro and con, to all members of the Convention at least 20 days before the Annual Meeting. These requirements may be waived by a concurrent two-thirds vote of each order, clergy and lay, voting separately.

24.3. Each amendment shall be in force as of the date of its adoption unless a future date is specified in the amendment itself.

24.4. When Articles of the Constitution or Sections of a Canon are renumbered or reordered, the Secretary shall adjust any references to such Articles or Sections as necessary. The changes made by the Secretary shall be reviewed and approved by the Convener of the Constitution and Canons Committee or his/her delegate.
Section 1  Concerning Resolutions

1.1 Any resolutions to be considered by any meeting of the Convention, other than those arising out of the business of the Convention or the Bishop’s address or the reports of any canonical Diocesan body, must be filed by a member of the Diocese with the Secretary of the Convention at least sixty (60) days prior to the meeting of the Convention at which it is desired to have the resolution considered.

1.2 The Secretary shall submit a copy of each resolution to the Chair of the Committee on Resolutions and to the Chair of the Committee on Constitution and Canons. These committees may suggest revisions of a proposed resolution to its proponent.

1.3 In the case of resolutions that may have a financial impact, the Committee on Resolutions shall ask the Treasurer for analysis and advice; and likewise the Committee shall solicit the advice of pertinent Diocesan bodies and officers about resolutions affecting their work and purview.

1.4 The Committee on Constitution and Canons shall insure that the form of any proposed resolution is in keeping with the form and substance of the Constitution and Canons of this Diocese. It may amend such proposed resolutions only to effect such consistency and may not amend the substance of the proposed resolution. The Committee on Constitution and Canons may suggest substantive amendments to the proponent of the proposed resolution.
1.5 The Secretary of Convention shall cause all timely and properly submitted resolutions to be printed in the packet of information sent to all members either in the form received or as revised by the proponent in agreement with the Committee on Resolutions.

Any such resolutions may be offered at the conclusion of the reports of those Committees, and if it receives the affirmative vote of two-thirds (2/3) of the members present and voting, it may be considered on its merits as any other resolution.

1.7 The Committee on Resolutions or on Constitution and Canons, as applicable, shall report to the Convention without exception on each resolution properly submitted. The Committee may report such resolutions in a sequence at its discretion in consultation with the Committee on Dispatch of Business. All such reports shall be in one of the following forms:

(b) Recommends rejection, with or without reasons. The question shall be on adoption of the resolution;

(c) Makes no recommendation. The question shall be on the adoption of the resolution;

(d) Asks that the Committee be discharged from further consideration of the resolution because (1) the matter is not within the scope of the Convention’s authority or (2) the matter has already been dealt with by action of Convention. The question shall be on acceptance of the Committee report. If the report is accepted and the Committee discharged, the resolution shall not be in order.

1.8 A majority vote shall be required for the adoption of a resolution.

1.9 Any proposed amendments to a resolution may be filed with the Secretary of Convention at or before the opening of the Convention, who shall refer them to the Committee on Resolutions. Any amendments so filed shall be included in the report of the Committee on Resolutions. Resolutions may also be amended from the floor.

1.10 Within thirty (30) days following the close of the Convention, it shall be the duty and responsibility of the delegates to the Convention to communicate to the membership of their Parishes and Missions the contents of such resolutions adopted by the Convention. Resolutions passed at the Annual Meeting of the Convention shall be published to the Diocese in print or electronically within two months after the Annual Meeting.

Section 3  
Concerning the Business of the Convention

3.1 All elections shall be by written ballot, and shall be conducted in accordance with the applicable Canons and the Rules of this Convention. In the case of elections to a body where there are not provisions made otherwise, if an election requires more than two ballots, the third ballot shall decide the election, with the election determined in the order of votes received.

3.2 The Parliamentarian and all Special Committees shall be appointed by the President, unless otherwise ordered. The Ecclesiastical Authority shall appoint a Committee on Credentials in advance of any meetings of the Convention.

3.3 The Nominating Committee shall present its nominations to the Convention for all elective offices. Nominations may also be made from the floor. Information in support of nominations made from the floor shall be limited to that of the standard Diocesan “Candidate Data.” Formal speeches are prohibited. There shall be no write-in ballots.

3.4 All Canonical Diocesan bodies shall submit annual written reports to the Secretary of the Convention, care of the Diocesan office, no less than sixty (60) days prior to the start of the Annual Meeting of the Convention for inclusion in delegates’ packets; such reports shall be received by the Convention in course without motion for acceptance and without reading at the Convention. They shall be included in the Journal of the Convention, unless otherwise ordered. If recommending or requiring any action or expression of opinion by the Convention, they shall be accompanied by a Resolution or Resolutions, for their consideration. Written reports shall be accepted or acted upon as written. Convention time shall be limited to
discussion, debate, and voting upon any proposed action and shall exclude the reading of written reports already in the hands of delegates.

3.5 The prescribed Order of Business shall not be departed from, nor shall any Rule of Order be suspended, unless by a vote of two-thirds of the members present.

3.6 The debate on any subject other than the budget shall be limited to 15 minutes. In addition, debate by any one person shall be limited to two minutes and such person shall have the opportunity to respond only after others have had a chance to speak. If time remains within the 15 minute period such response shall be limited to one additional minute.

3.7 No Order of Business shall be changed or rescinded except by a vote of the Convention.

3.8 An Alternate Delegate may not vote or have voice in the Convention, unless and until certified by the Committee on Credentials as a substitute for a Delegate. There shall be no absentee or proxy ballots accepted.

3.11 The courtesy of seat and voice shall be granted the heads of all Committees and Task Forces and the representatives of special projects for the purpose of explaining their work and responding to questions.

3.12 Should the Convention of the Episcopal Diocese of El Camino Real be conducted as a synchronous electronic video screen meeting, such meeting shall support electronic voting and visible displays that (i) identify those participating, (ii) identify those seeking recognition to speak, (iii) show (or permit the retrieval of) the text of pending motions, and (iv) show the results of votes. An electronic meeting of the Convention shall otherwise be subject to all rules adopted by the Convention to govern its annual meeting, which may include any limitations on, and requirements for, members’ participation. This rule shall supersede any conflicting rules in Roberts Rules of Order. In addition, the following procedures shall apply:

(a) An electronic vote conducted by an administrator under the direction of the Secretary shall be deemed a written ballot vote, fulfilling any requirement in the Constitution and Canons or any applicable rule that a vote be conducted by written ballot. An electronic vote by an individual shall be deemed confidential so long as the vote cast by the individual is available only to the administrator of the voting system. The administrator shall not disclose the specific vote of any Delegate to which the administrator shall have access and shall only report aggregate voting tallies;
(b) Except when a written ballot is required, business may be conducted by
unanimous consent.

(c) Members shall identify themselves as required to sign in to the Internet
meeting service, and shall maintain Internet and audio access
throughout the meeting whenever present, but shall sign out upon any
departure before adjournment.

(d) The presence of a quorum shall be established by the online list of
participating members.

(e) Each member is responsible for the member's audio and Internet
connections; no action shall be invalidated on the grounds that the loss
of, or poor quality of, a member's individual connection prevented
participation in the meeting.

(f) The President may cause or direct the disconnection or muting of a
member's connection if the member or the member's connection is
causing undue interference with the meeting. The President's decision
to do so is subject to a nondebatable appeal that can be made by any
member to Convention. The President's decision, if sustained on
appeal, shall be recorded in the minutes of Convention.

(g) In addition to display of pending motions or results of votes, a video
image of any member currently recognized to speak or report shall be
displayed, while speaking. Any other video image as the President
designates shall be displayed in the President's discretion.

Section 4
Concerning Parliamentary Procedure

4.1 Except for principal motions arising from Reports of standing diocesan
bodies, no principal motion, amendment thereto, or substitute therefor shall
be acted upon by the Convention until duly seconded and submitted in
writing. No amendment or substitute shall be finally adopted until the same
has been read to the Convention.

4.2 When a question is before the Convention, no motion, except as hereinafter
provided, shall be received, but to lay on the table, to move the previous
question, to limit debate, to postpone to a certain time, to commit, to amend,
or to postpone indefinitely, which motions shall have precedence in the order
named.

4.3 All amendments shall be considered in the order in which they are received.
When a proposed amendment is under consideration, a motion to amend the
same may be made; no further amendment to such a second amendment shall
be in order.

4.4 A motion to lay on the table shall always be decided without debate.
4.5 A motion to adjourn shall always be in order, when no member is speaking.

4.6 The person who has made a motion or moved a resolution may withdraw the same, without the consent of the seconder, at any time before decision or amendment, in which case it shall not be entered upon the minutes.

4.7 If a question under debate contains several distinct propositions the same shall be divided at the request of any member and a vote taken separately on each division thereof.

4.8 The votes shall be taken by ayes and noes. On any single question, each member of the Convention shall have one vote. No vote shall be taken by Orders unless prescribed by the Constitution and Canons.

4.9 Any member whose character or motives have been attacked or questioned in debate shall have the right to speak to a question of personal privilege.

4.10 A question that has been decided shall not be reconsidered during the same session except when significant new circumstances can be adduced to support reconsideration. No question shall be reconsidered more than once. In a motion to reconsider a resolution or motion previously adopted, the reconsideration of said action shall be preceded by the reading by the Secretary of the resolution as recorded in the minutes of the Convention.

4.11 All questions of order shall be determined in the first instance by the President, but any member may appeal from any decision of the President, and on such appeal no member shall speak more than once without the leave of the Convention.

4.12 During all debates the President shall call alternatively upon those wishing to speak for and against the question, so long as there are those both pro and con who wish to speak.

4.13 No applause shall be permitted during debate or discussion of issues at any meeting of Convention.

4.14 The proponent of a motion may, after having spoken to the motion, respond to questions from the floor before the debate begins.

4.15 A motion to caucus will always be in order, even after debate upon a question has been terminated. The motion is not debatable. Should it be carried by a majority, the chair will set the time allotted for the caucus.

4.16 In circumstances not covered by these rules, Robert’s Rules of Order shall apply.

4.17 A meeting at which a quorum is initially present may continue to transact business notwithstanding the departure of delegates, except in the case of the election of a Bishop.
Section 5
Concerning Debate on the Budget

5.1 After the budget has been presented to Convention and moved for adoption, the debate and consideration shall be postponed until the time appointed in the written agenda.

5.2 Members of Convention who wish to propose amendments to the budget shall submit their proposals in writing to the Committee on Dispatch of Business not less than one hour before the time debate is to begin. All amendments so presented shall be reported to the Convention for action prior to conclusion of the debate.

5.3 The Committee shall call proposed amendments up for debate in a convenient order. In general, proposals affecting larger sums shall be considered before smaller items, and related matters shall be considered in sequence. The Committee may call up some proposals as secondary amendments or substitutes.

5.4 When any proposal comes to the floor, its mover shall be allowed up to three minutes to explain and support the motion. Thereafter, a person designated by the President shall be allowed up to two minutes for rebuttal and then speakers pro and con may be recognized from the floor.

5.5 The total time allotted for debate on the budget shall be divided by the number of proposals submitted to the Committee and the result shall be announced as the time limit of debate for any one item. When the limit is reached, the President shall proceed to put the question to a vote without delay. After all submitted proposals have been acted upon, further debate shall be in order.

5.6 If any amendment is proposed to increase a proposed or new budget item, the amendment must specify the source of such funds from within the budget.
