

Jesus with the Woman at the Well

View this image and read **John 4:7-30**.

In what way does this picture heighten your understanding of the story?

In what ways might other "enculturated" images shape your understanding, including your own culture?

In old Chinese stories, when a woman brought shame to her family, whether by being raped or from being caught in adultery, the way to "save face" for herself and her community was to throw herself down a well.
